

Squadron Routine Order - Term 2, 2021

Issued 22/04/2021

ADDRESS TO PARENTS AND CAREGIVERS

New Squadron Website – aaltoukley.com

Our Squadron has a new website that lists all upcoming events and important updates. It features a simple and modern design allowing you to get all the information you need on an event quickly.

You can view upcoming events on our events page: aaltoukley.com/events

You can also view information on parade nights like when to wear uniform and when exams are scheduled on our parade nights page: aaltoukley.com/parade-night-activities

Parents can make payment and request a statement by going to our Payment page: aaltoukley.com/payment

Our Facebook Group

For urgent and important updates, pictures and for an insight into the cadet's activities; members and parents are encouraged to join our closed Facebook group here: facebook.com/groups/AALToukley

Officers can post on this closed group about estimates on return times from day outings and camps and more.

Parents are also encouraged to use the group to post photos they take at events and ask questions about Air League.

Only current and past members are permitted to be a part of the group so you may need to request to join before seeing any content. If you don't use Facebook, please ensure you inform the Officer responsible for the event when dropping off your cadet at each event so that you can receive a text message or phone call for updates instead.

Cadbury Fundraising Chocolates

The Squadron has a large focus on fundraising this year and would like the help of our cadets and parents to assist in selling as many fundraising chocolates as possible. Members must return their fundraising boxes on the first night back of Term 2 (23rd April). The Squadron is fundraising to further provide subsidies for members to events, pay for utilities, bank money for the upcoming federal review in 2022 and possibly purchase our own bus. Any support or further fundraising ideas that parents and members can offer would be appreciated and can be shared with myself or W/O Luke Graham when possible.

Bunnings BBQs

You may have already noticed and will notice more scheduled fundraising events like the Bunnings BBQs. Our Squadron is raising funds for equipment and subsidies for members. Any participation from members will be marked as community service and will contribute towards members community awareness and community service badges. I encourage our members to attend these events where possible as it takes a huge toll on our already over volunteered Officers.

Pickup, Dropoff and absent Rules

As we head out of COVID restrictions, the pickup and drop-off rules are back in effect. Members need to be brought into the Squadrons HQ and handed over to the Adjutant on a parade night. Cadets should not be dropped off in the car park or side of the road on a Friday unless otherwise organised with the Adjutant (Sqn Cpt Jullian Cardinale). We ask that members also be collected by attending the front desk or front door of the building at 9pm. This allows our Officers to comply with duty of care requirements a lot easier. Members who have not informed the Adjutant of absence will need to be called on a Friday night as we are required to record a reason for absence, again complying with duty of care requirements. Parents can contact the Squadron Adjutant (Sqn Cpt Jullian Cardinale) directly by text message on 0437 938 415 or by posting on the Squadrons Facebook Group Page.

Squadron Routine Order - Term 2, 2021

Issued 22/04/2021

Bring a friend night! Friday 14th May

We will be holding a bring a friend night on Friday 14th May. Cadets will receive information packs, flyers, and invitations to bring a friend on this night in attempt to join up more members. If families are aware of cousins, brothers, etc that may be interested or might fit in well, they can come and try out Air League for 3 weeks without any obligation to join or any cost. Feel free to speak with me should you need any further information.

Active and Creative Kids Vouchers

A few cadets have not yet claimed Active or Creative Kids vouchers and we encourage parents to claim them soon as the NSW government may be offering the second round again this year in July. If you need any more information on this feel free to contact me.

Band Training Sessions – Expressions of Interest

A member has suggested that we arrange Band Training Sessions on a weekend once per fortnight, the idea would be to run these training sessions from 5:45pm to 8:00pm on a Saturday. We have noticed that members do not have enough time allocated on Friday nights to learn instruments and march. I am seeking expressions of interest from all members to evaluate if this kind of activity should be organised. It is intended to have outside instructors come and assist and there would be no additional cost to attend. Please let me know if you're interested.

Current Squadron Officer Appointments
